DIRECTIONS

From the South

Follow the A9 through town towards Scrabster. You will pass the police station on your right hand side. We are the 3rd road on the left after that.

From the West

As you approach Thurso you will pass the Camp Site on your left followed by a play park. Turn sharp right at the end of the play park. We are the large white building on the right.

From the Station

Turn left out of the station and cross the road - please take care as this is a busy junction. Follow Castlegreen Road. Turn right just past the playing fields down Sweyn Road. At the end of Sweyn Road bear left and follow Granville Crescent into Granville Street. We are the large white building on the left before you reach the sea.

We have a large car park.
